### **ATSC- Weather Cancelation Policy- ATSC Summer Camps**

If it's just rain, we continue to play! The only time we stop playing is in the case of extremely inclement weather or thunder and lightning. If the weather is looking extreme for the whole day, a decision the night before or early in the morning may be made to cancel the camp for the day.

In the event of thunder and lightning during the camp session, players will be taken to a safe area to wait 30 mins after the last lightning strike. If the storm continues for more than 45mins, camp will be cancelled for the day. The safety and well-being of the children is our number one priority. We will make every attempt to make up any lost time throughout the week by extending the camp day or starting camp earlier each day. It is rare that we are unable to make up lost time throughout the week. In the event that a program is cut short due to inclement weather or any other unforeseen issues, every effort is made to make up lost time. In the event that the program cannot be made up, no refunds or credits are offered.
